REQUEST FOR PROPOSAL (RFP)

Wayne County Board of Commissioners

Design, Manufacture, Delivery & Erection of Pre-Engineered Metal Arena Building for Rodeo & Agricultural Events

Overview:

The Wayne County Board of Commissioners is seeking proposals from qualified vendors for the design, manufacture, delivery and erection of a pre-engineered metal building (PEMB) to serve as an open-air arena for rodeos and agricultural events. This project includes providing a complete PEMB package based on the specifications outlined below.

Building Specifications:

- Dimensions: 350' long x 185' wide with a 28' eave height
- Structure: Clear-span design (no interior column supports), 1:12 gable roof slope
- Design Criteria: 120 mph wind load, 5.0 psf collateral load
 - Note: see clarifications for collateral load.
- Frame: Tapered columns with red-oxide primer finish
- Primary & secondary framing shall receive one coat of standard red-oxide primer finish
- Bracing: X-bracing in walls to be substituted with Portal frames.
- Wall Design: All four exterior walls to be open 20' above finished floor; wall panels above 20' only
- Panels: Wall: 26-gauge Classic R-panels in standard color; Roof: 24-gauge standing seam roof panels with 25-year warranty; Roof material: Galvalume finish.
- Trim: Roof line trim and rake flashing included
- Gutters & Downspouts: Included
- Ventilation: Fourteen (14) 9" x 10' operable ridge vents (pull chain operated)
- Delivery: FOB jobsite (Parcel 100-30 located off Sunset Blvd in Wayne County, Jesup, Georgia)

Project Scope Includes:

- Full PEMB package as described
- Anchor bolt plans and column reactions stamped by a licensed engineer (preferably from Georgia)
- All required permit and erection drawings

Bidders must acknowledge and include these items in their proposal:

- Insulation (none; see special note for FI-FOIL roof insulation)

- Sales tax; generally, no sales tax applies as this is a government-funded project.
- Unloading of the PEMB package
- Contractor to acknowledge and certify that they have and shall maintain throughout the duration of this contract, the following minimum insurance coverages: worker's compensation and commercial general liability insurance.

Clarifications:

- Permit and erection plans will be stamped by a licensed Georgia engineer.
- Unloading of building to be included.
- Final collateral loads must be confirmed before ordering (e.g., for sprinkler, electrical, ceiling fans).

Special Notes for Bidders:

- Design must accommodate a minimum 25' wide end wall opening (max 30').
- Maximum 25' column spacing along exterior sidewalls.
- Roof material: Galvalume finish.

Proposal Requirements:

- Complete bid proposal including lead times, detailed scope, and pricing breakdown
- Estimated delivery schedule.
- Estimate erection schedule.
- Reference projects of similar scope and scale

Erection of building

The Contractor shall furnish all necessary materials, labor, supervision, tools, equipment, and incidentals required to complete the erection and installation of a pre-engineered metal building system in accordance with the approved plans, specifications, manufacturer's instructions, and applicable building codes and standards. Concrete foundation, slab, and site work shall be provided by others; Contractor's scope is limited to coordination for anchorage and integration with the existing concrete elements. Utility installation by others unless specified in addendums. Upon completion contractor to leave the site in a clean condition. Warranty: Provide 1-year workmanship warranty plus pass-through of manufacturer's warranties.

Optional Item #1: Galvanized steel in lieu of red-oxide primer finish

- Frame: Tapered columns galvanized
- Primary & Secondary framing galvanized finish

Optional Item #2: Install FI-FOIL roof insulation; to be silver or white color finish.

INSTRUCTION AND INFORMATION FOR BIDDERS

1. BASIS OF CONTRACT:

See Invitation for Bids and proposal Form.

2. BID SECURITY:

See Invitation for Bids and Proposal Form.

3. N/A

4. INTERPRETATIONS:

No oral interpretation will be made to bidders as to the meaning of the Bid Documents. Requests for interpretation of Bid Documents must be made in writing to the Engineer not later than 7 (seven) days prior to the date set for receipt of proposals, and failure on the part of the successful bidder to do so shall not relieve him as Contractor of the obligation to execute such work in accordance with a later interpretation by the Engineer. All interpretations made to bidders will be issued in the form of addenda to the Bid Documents and will be sent to all bidders. Such addenda are to be covered in the proposal, and in closing the Contract they will become a part thereof.

5. BIDDERS TO INVESTIGATE:

Bidders are required to submit their proposals upon the following express conditions, which shall apply to and become part of every bid received, viz:

Each Bidder must satisfy himself and form his own opinion by personal examination of the location and ground of the proposed work, and by such other means as he may desire, as to the actual conditions and requirements of the work, including the materials to be excavated; must make his own interpretations and satisfy himself by his own investigations and research regarding labor and materials needed, and shall make his bid in sole reliance thereon. Any information or data furnished by the Owner or its employees for the convenience of any bidder is not guaranteed.

6. PROPOSALS:

Proposals will be opened and read as stated in the Invitation for Bids.

All bids must be submitted on the Bid Proposal & Bid Forms furnished to the Bidder as a part of these documents and must be signed. All blanks on the proposal form must be filled in. Numbers shall be written in English words and in Arabic Numerals, and the completed form shall be without interlineations, alteration, or erasure. Failure to submit a proposal in the form requested or the inclusion of any condition, alternate, limitation or provision not called for will render the bid irregular and shall be considered sufficient cause for rejection of a bid. Failure to complete entries in all blanks in the proposal form shall be considered sufficient cause for rejection of a proposal.

All addenda issued shall be acknowledged in the place so designated. All alternates, if any, shall be bid on; the term "no bid" shall not be used. In the event that the Bidder does not desire to make a change in price from his Base Bid for any given alternate, he shall so indicate by using the words "no change". Proposals shall close with legal name of Bidder and be executed by one legally authorized to bind the bidding firm to a contract.

Bid Security, made payable to the Owner, shall be in the amount of five percent (5%) of the Base Bid. Security shall be a Bid Bond issued by a surety licensed to conduct business in state where project is located and shall have attached Power of Attorney certifying bond signee. A proposal

cannot be withdrawn after it is filed, unless Bidder makes written request to the Owner prior to time set for opening of bids, or unless the Owner fails to accept bid within **60** days after date fixed for opening of bids. If any bidder refuses to enter into a contract, the Owner will retain his Bid Security as liquidated damages but not as a penalty.

Submittal: The Proposal, in duplicate, and a single copy of the Bid Security together with the Power of Attorney shall be contained in a sealed envelope bearing the Bidder's name and contractor's license number clearly addressed to the Owner as indicated on the Proposal Form. In addition, in large letters on both the front and back of the envelope, the following shall appear:

**"PROPOSAL FOR CONSTRUCTION.
DO NOT OPEN UNTIL 10:00 AM, WEDNESDAY, NOVEMBER 26, 2025."**

After that time, no proposals will be received or withdrawn.

7. FORM OF AGREEMENT:

Form of Agreement will be on the enclosed Form in the Bid Documents.

8. AWARD:

The Owner's intent is to make an award within funds available to the lowest responsible bidder furnishing satisfactory performance surety.

The Owner reserves the right to reject any or all bids and to waive technicalities and informalities. The Owner reserves the right to award the Contract in his best interest.

9. CONTRACTOR TO BE SATISFACTORY TO OWNER:

The Contract will not be awarded to any bidder or bidders who have failed in any contractual obligations to the Owner, or who has on any previous contract performed in a manner unsatisfactory to the Owner, either as to the character of the work, the fulfillment of guarantees or the time consumed in its completion.

10. LIQUIDATED DAMAGES:

Liquidated damages, as set forth in the Bid Proposal will be assessed for each consecutive calendar day of delay in the completion of the work not excusable as provided in the Special Conditions (Section 01002) and the Bid Proposal.

11. SURETY AND INSURANCE COMPANIES:

The Contract provides that the surety and insurance companies must be acceptable to the Owner. To avoid inconvenience, any bidder or subcontractor should confer with the Owner to determine whether the surety or insurance companies expected to be used on the work are acceptable to the Owner. Contractor must be bonded for the total (100%) contract amount.

PROJECT TITLE:

Pursuant to the Request for Proposal for **Design, Manufacture, Delivery & Erection of Pre Engineered Metal “Arena” Building (PEMB) for Rodeo & Agricultural Events**, the Contractor proposes to furnish all labor, supervision, materials, machinery, equipment, tools and other means of construction, and to do and perform all work at prices as hereinafter set forth and in Addenda thereto.

FIRST In submitting this Bid Proposal, the undersigned Contractor understands and agrees to the Instructions to Bidders.

The Bidder acknowledges he has informed himself of all Addenda and of the form of the Contract and Public Contractor's Bond to be furnished in the event he is the successful bidder and is awarded the Contract.

SECOND The Undersigned Bidder agrees, if the successful bidder, to execute the contract in form as set forth in the Specifications and to furnish a Performance Bond in an amount of 100 percent of the Contract amount as security for the faithful performance of the Contract and a Payment Bond in an amount of 100 percent of the Contract amount for the payment of all persons performing labor and/or furnishing materials in connection with the Contract and the fulfillment of such guarantees as are hereinafter specified, and insurance as set forth in the Specifications, **all within 10 days of receiving notice of award of contract by the Owner.**

THIRD The Undersigned Bidder further agrees to begin the work on receipt of the executed contract and Notice to Proceed and to prosecute said work so as to complete work except as otherwise specified under this Contract within the time as specified in the Special Conditions.

FOURTH The Undersigned Bidder further agrees to guarantee performance of all work in accordance with all state, federal and local Standard Specifications and in a good and workmanlike manner, and to replace or repair any work which may be rejected due to defective materials or workmanship prior to final completion, and acceptance of the project by the Owner or during the guarantee period.

FIFTH The Undersigned Bidder further agrees to indicate on his Bid Proposal, in the space provided for that purpose, the names of the Contractor and Subcontractors who will perform the work if his proposal is accepted.

SIXTH The Undersigned Bidder agrees to submit, as and when required, prior to award of the Contract the following:

- (a) Such catalogs, drawings, specifications, descriptive information and other details as to special equipment or material bidder proposes to furnish for the work, to permit an evaluation of the merits thereof and determination as to whether such special equipment or materials comply with the specifications, in addition to those required by the Instructions to Bidders.
- (b) A properly executed affidavit of non-collusion.
- (c) Statements of experience, capital, and equipment available and certified financial statements, in accordance with the provisions of Instructions and to Bidders.

SEVENTH The Undersigned Bidder proposes to furnish all materials, machinery, equipment, tools, labor, supervision and other things specified or required and to perform all work necessary to carry out and satisfactorily complete the construction project described in the Contract Documents in the manner and within the times specified in the Contract Documents.

EIGHTH The Undersigned Bidder agrees to pay to the Owner, Liquidated Damages as stated in the Special Conditions for each consecutive calendar day (Sundays and legal holidays excluded) of delay in an amount not to exceed \$500.00 per day.

NINTH The Undersigned Bidder acknowledges and certifies that he has examined the site of the work by personal investigation and is familiar with the on-site conditions and requirements of the work; that he has made his own interpretations and satisfied himself by his own investigations and research regarding labor and materials needed; that this Bid Proposal is made in sole reliance thereon; and that any information and/or data obtained from the Owner or Engineer will not be used as a basis for any claim in regards to this project.

I. SCHEDULE OF BID PROPOSAL

The Bidder must fill in the unit prices in numbers, make extensions of each item and total as indicated.

II. TABULATION OF SUBCONTRACTORS USED IN BID PROPOSAL

The following tabulation lists the various Contractors whose prices were used in preparation of the Bid and who will be used to accomplish the respective items of work.

_____ Dollars (\$ _____),
(Insert Contract Amount)

to which payment principal and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the above bounden Principal has entered into a contract with Owner dated _____ for the Wayne County **Design, Manufacture, Delivery & Erection of Pre Engineered Metal "Arena" Building (PEMB) for Rodeo & Agricultural Events**, in accordance with the Contract Documents and Specifications, which contract is incorporated herein by reference and made a part hereof, and is hereinafter referred to as the Contract.

NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION is such that if the Principal shall promptly make payment to all claimants as hereinafter defined, for all labor and materials supplied in the prosecution of the work provided for in said Contract, then this obligation shall be null and void; otherwise it shall remain in full force and effect, subject, however, to the following conditions:

1. The said surety to this bond, for value received, hereby stipulates and agrees that no change or changes, extension or extensions of time, alteration or alterations or addition or additions to the terms of the contract or to the work to be performed thereunder, or the Contract Documents or specifications accompanying same shall in any wise affect its obligation on this bond, and it does hereby waive notice of any such change or changes, extension or extensions of time, alteration or alterations or addition or additions to the terms of the contract or to the work or to the Contract Documents or specifications.
2. A claimant is defined as any subcontractor and any person supplying labor, materials, machinery, or equipment in the prosecution of the work provided for in said Contract.

3. Every person entitled to the protection hereunder and who has not been paid in full for labor or materials furnished in the prosecution of the work referred to in said bond before the expiration of a period of ninety days after the day on which the last of the labor was done or performed by him, or materials or equipment or machinery was furnished or supplied by him for which such claim is made, or when he has completed his subcontract for which claim is made, shall have the right to sue on such payment bond for the amount, or the balance thereof, unpaid at the time of the commencement of such action and to prosecute such action to final execution and judgment for the sum or sums due him; provided, however, that any person having direct contractual relationship with a subcontractor, but no contractual relationship express or implied with the contractor furnishing said payment bond shall have the right of action upon the said payment bond upon giving written notice to said contractor within ninety days from the day on which such person did or performed the last of the labor, or furnished the last of the materials or machinery or equipment for which such claim is made, stating with substantial accuracy the amount claimed and the name of the party to whom the materials were furnished or supplied or for whom the labor was performed or done; provided further that nothing contained herein shall limit the right of action to said 90 day period. Notice may be served by depositing a notice, registered mail, postage prepaid, duly addressed to the Contractor at any place he maintains an office or conducts his business, or his residence, in any post office or branch post office or any letter box under the control of the Post Office Department or, notice may be served in any manner authorized by law to serve summons or process. Every suit instituted under this Section shall be brought in the name of the claimant without Owner being made a party thereto. The official who has the custody of said bond is authorized and directed to furnish, to any person making application therefore who submits an affidavit that he had supplied labor or materials for such Work and payment therefore has not been made, or that he is being sued on any such bond, a copy of such bond and the contract for which it was given, certified by the official who has custody of said bond; this copy shall be primary evidence of said bond and contract and shall be admitted in evidence without further proof. Applicants shall pay for such certified copies and such certified statements such fees as the official fixes to cover the cost of preparation thereof, but in no case shall the fee exceed the fees which the clerks of the superior courts are permitted to charge for similar copies.

4. No action can be instituted on this bond after one year from the date of the final certificate of the Engineer.

5. Further, this bond shall be considered the same as a bond furnished under Section 23-1705 et seq., of the Code of Georgia, as amended, and all provisions of law pertaining to bonds furnished under said Section shall pertain hereto.

2. If pursuant to the contract documents the Contractor shall be declared in default by the Owner under the aforesaid Contract, the Surety shall promptly remedy the default or defaults or shall promptly perform the Contract in accordance with its terms and conditions. It shall be the duty of the Surety to give an unequivocal notice in writing to the Owner within twenty-five (25) days after receipt of a declaration of default of the Surety's election either to remedy the default or defaults promptly or to perform the contract promptly, time being of the essence. In said notice of election, the Surety shall indicate the date on which the remedy or performance will commence, and it shall then be the duty of the Surety to give prompt notice in writing to the Owner immediately upon completion of (a) the remedy and/or correction of each default, (b) the remedy and/or correction of each item of condemned work, (c) the furnishing of each omitted item of work, and (d) the performance of the contract. The Surety shall not assert solvency of its Principal as justification for its failure to give notice of election or for its failure to promptly remedy the default or defaults or perform the contract.

3. Supplementary to and in addition to the foregoing, whenever the Owner shall notify the Surety that the Owner has notice that the Contractor has failed to pay any subcontractor, materialman, or laborer for labor or materials certified by the Contractor as having been paid for by the Contractor, the Surety shall, within 30 days of receipt of such notice, cause to be paid any unpaid amount for such labor or materials.

4. It is expressly agreed by the Principal and the Surety that the Owner, if he desires to do so, is at liberty to make inquiries at any time of subcontractors, laborers, materialmen, or other parties concerning the status of payments for labor, materials, or services furnished in the prosecution of the work.

5. The Surety agrees that other than as is provided in this bond it may not demand of the Owner that the Owner shall (a) perform any thing or act, (b) give any notice, (c) furnish any clerical assistance, (d) render any service, (e) furnish any papers or documents, or (f) take any action of any nature or description which is not required of the Owner to be done under the contract documents.

6. No right of action shall accrue on this bond to or for the use of any person or corporation other than the Owner named herein or the legal successors of the Owner.

SEQUENCE OF OPERATIONS

I. GENERAL

- A. The purpose of this Special Provision is to provide for a sequence of construction procedures for the construction of the Project and for the coordination of a Sequence of Operations between this project and existing roads that cross and/or pass through certain portions of the Project.
- B. This Special Provision is a supplement to the Standard Specifications setting forth specific procedures and does not relieve the Contractor of any responsibilities placed upon him by the Standard Specifications.
- C. During the life of this contract, others, including but not limited to, site contractors and utility owners will be working on this project or related projects in this area. The Contractor's attention is directed to the requirements of Standard Specifications Section 105 – Control of Work, with particular attention to sub-section 105.07 – Cooperation Between Contractors.

II. ORDER OF WORK

- D. The Contractor shall plan and prosecute the work such that disruption to personal property and business is held to a practical minimum.

III. EQUIPMENT NOISE

All equipment used on the Work shall come equipped with factory installed mufflers or manufacturer's recommended equivalent in good condition. These mufflers shall be maintained in good condition throughout the life of the Contract. In areas of existing subdivisions, equipment will not operate between the hours of 10:00 pm and 7:00 am, seven days a week.

IV. SPECIAL CONDITIONS

n/a

V. ENFORCEMENT

In the event that compliance with the objectives stated herein are not achieved, the County Engineer in charge of the work will close down all operations being performed except erosion and traffic control. The County Engineer may also withhold any payments due, when necessary, until all requirements herein have been met.

VI. MEASUREMENT AND PAYMENT:

There will be no separate measurement or payment for the work described herein and all costs, direct or indirect, of complying with the requirements of the Special Provision shall be included in the overall Bid submitted or as "Lump Sum".

VII. STAGE CONSTRUCTION:

In order to follow good construction procedures and minimize inconvenience to the traveling public, it will be necessary to maintain traffic through the construction areas where practical. This will be accomplished by utilizing existing roadways and staging construction.

1. **Access is to be provided to the adjacent areas along the project at all times.**

UTILITY CONFLICTS

Utility companies having known facilities that conflict with the construction of this project will be directed by Wayne County to adjust or relocate their facilities and will be notified of the Contract Award.

It will be the Contractor's responsibility to conform with all requirements of the Specifications as they relate to cooperation with utility owners and the protection of utility installations that exist on the Project. The Contractor's attention is directed to the requirements of Section 107, Legal Regulations and Responsibility to the Public, with particular attention to Article 107.21

It shall be the responsibility of the Contractor to coordinate his work to be performed by others in any right-of-way clearance and arrange a schedule of operations that will allow for completion of the Project without undue delay. Where stage construction is required it shall be the Contractor's responsibility to notify the utility owner when each stage of work is completed and the site is available for utility work to proceed.

Information concerning utility facilities known to exist within the Project limits, including the list of owners, is shown on the plans.

It shall be the responsibility of the contractor to determine the estimated time for relocation and adjustment of facilities of all utility companies and to consider in his Bid all such relocations and adjustments.

In accordance with Article 105.06 of the Specifications, Wayne County shall not be liable for payment of any costs due to utility delays, inconvenience or damage sustained by the Contractor due to interference of any utilities or appurtenances, or the operation of moving them. Delays by utilities will continue to be considered by Wayne County in charging Contract Time in accordance with Article 107.21G.

The Contractor will not be paid for any delays or extra expense caused by utility facilities, obstructions, or any other items not being removed or relocated to clear construction in advance of work.

It shall be the responsibility of the Contractor to coordinate his work with any work to be performed by others in any right-of-way clearance and arrange a schedule of operations that will allow for completion of the Project without undue delay. Where stage construction is required, it shall be the Contractor's responsibility to notify the utility owner when each stage of work is completed and the site is available for utility work to proceed.

Under agreements with Wayne County, Georgia Power Company, Atlanta Gas Light Company, AT&T, all other local service telephone companies, all Electric Membership Cooperatives and certain other

utilities are liable to the Contractor for his cost for delays to construction that are due to the utilities failure to clear conflicts within reasonable time as may be approved by Wayne County or the Contractor. The Contractor may bill the utility company directly for any costs or delays as described in the agreement between Wayne County and the utility company. Such bill shall be sufficiently detailed to allow the utility company to verify that the charges are accurate and properly attributable to delays in relocation of their facilities.

Upon request, copies of all agreements with utility companies having facilities on this Project will be made available for examination by the Contractor at the Wayne County Administrator's Office.

Georgia Law requires that a telephone call or adequate notice must be given three (3) DAYS BEFORE WORK IS TO BEGIN. The notice will remain in effect for ten (10) working days from the date the Utilities Protection Center is notified. The Contractor is to call 811 (800-282-7411).
