

Online Tag Renewal Instructions

The Wayne County Tag Office is now up and running with online tag renewal and other tag-related services. Log onto dor.georgia.gov. You can click the 'Motor Vehicles' drop-down link at the top of the page or click the "Renew Your Tag" car icon link in the middle of the page. On the next page you will identify your vehicle with either your tag number or your VIN number and verify your identity with your drivers license number or your letter id (if you are responding to a letter you received from the Dept of Revenue, such as a fine for lapse of insurance).

If you choose the drop down 'Motor Vehicles' link and the "Online Services" link under it, that will take you to a page with icon-type links. To the right of this box of icon links is a list of 'More Online Services'. Choosing the last link in that line, 'All DRIVES e-Services' will give you options including a 'Go Green' button-type link. There you can register to receive renewal emails, change your mailing address, and other options.
